To: Explorers and Parents

From: Post 203 Advisors

Re: Firearms Training, Building Clearing, Slip-&-Slide

The advisors of Post 203 are planning to hold Firearms Training for our Explorers on Saturday May 16, 2015. The purpose of this letter is to provide you with all the information in regard to this training:

- Safety will be the number one priority of this training as it is with any of our training exercises
- There will be a certified firearms instructor along with all of our certified law enforcement advisors with us to help keep everyone safe.
- We will only be shooting .22 caliber weapons.

Secondly, there will be a training exercise in building clearing where air-soft guns will be used. Eye protection will be provided, but explorers may bring their own if they so choose.

In addition, there will be a slip-&-slide activity where the explorers can choose to participate in a waterslide set up on the lawn.

Attire for the activities is as follows: Firearms training and building clearing- long pants and closed toed shoes are mandatory. Slip-&-slide- shorts and t-shirt (bathing suits are permitted but the ladies must wear a t-shirt)

If anyone has any further questions regarding this training please contact one of the Post Advisors.

**Parents please sign this form and return for your Explorer to be able to participate in the firearms training and other activities:**

I \_\_\_\_\_ (Parents Name) by signing this form I give permission for

\_\_\_\_\_ (Explorers Name) to participate in the Firearms Training on

May 16, 2015 for Boiling Springs Explorer Post 203.
